

CAMBRIDGE ASSESSMENT INTERNATIONAL EDUCATION

IGCSE PROGRAMME 2024-2026

Cambridge IGCSE is the world's most popular international qualification for 14 - to 16 -year-olds. It is recognized by leading universities and employers worldwide, and is an international passport to progression and success. Developed over 30 years ago, it has been tried, tested and trusted by schools worldwide. The curriculum is flexible, challenging and inspiring, culturally sensitive yet international in approach.

Cambridge programmes combine an emphasis on mastering subjects in depth with the development skills for study and work in the future. We value deep subject knowledge as well as the conceptual understanding that helps students make links between different aspects of a subject. We also encourage students to develop higher order thinking skills - problem solving, critical thinking, independent research, collaboration and presenting arguments. These are transferable skills that will last a lifetime, preparing students for their future lives. They also make learning enjoyable and rewarding.

CAMBRIDGE IGCSE CURRICULUM

The Cambridge IGCSE curriculum offers a variety of routes for learners with a wide range of abilities. For learners, Cambridge IGCSE helps improve performance by developing skills in creative thinking, enquiry and problem solving. It is the perfect springboard to advanced study.

Cambridge IGCSE develops learner knowledge, understanding and skills in:

- **Subject content**
- **Applying knowledge and understanding to new as well as unfamiliar situations**
- **Intellectual enquiry**
- **Flexibility and responsiveness to change**
- **Working and communicating in English**
- **Influencing outcomes**
- **Cultural awareness**
